Dear Mr. Chase,

The reason for my letter is in regards to receiving the following information from your pertaining to my claim of Negligence and Medical Malpractice against the Health Care Staff at my current Institution.

I would like to inform your office, I am scheduled to be released from custody on May 03, 2018 to a Federal Halfway House in the State of Milwaukee, Wisconsin. Upon entry of the facility, I will be scheduling an appointment to see an Gastroenterologist to be treated or properly diagnosed for abdominal problems. At which time, I will be able to provide your office with an expert certification of my condition to substantiate my claim of Negligence and Medical Malpractice.

Do to my lack of education with the law, is it possible you can assist me with appointment of counsel to represent me in this legal matter. With only having the Institution library, and learning the ins and outs to a certain stage is how I got my claim in front of your office to date. I have other documentation to present to an attorney and/or the Courts but, the legal gargon is hard for me to fully understand. I would greatly appreciate you may do with helping me to obtain legal counsel.

Thank you for your time, and consideration with the above matter. I look forward to hearing from your office soon.

Respectfully Submitted,
